******

Dr. A.S. Hebbar, temporary Medical Officer, L.F. Hospital Moolky, went on leave from 12th May 1953 due to the illness of his wife and no substitute was appointed for want of qualified Medical applicants. Sri K.Shama Shetty, Hon.Medical Officer, of this Hospital in his letter dated 5.5.1951 stated that if it was not possible for the Board to sanction honorarium at the schedule rate during the leave period other than casual leave of the permanent Medical Officer, his letter might be considered as his resignation to the post of Honorary Medical Officer held by him. In response to the public demand for a Medical Officer for the hospital, Dr. K.Shama Shetty, the Hon.Medical Officer, Mulki was requested in this office letter Ref.C.No.11023-A4-53 dated 20.5.53 to intimate to this office whether he would serve as Hon.Medical Officer, in the L.F.Hospital Mulki. He, in his letter dated 21.5.1953 stated that he was prepared to serve as Hon. Medical Officer in the said Hospital on the following conditions:--

(1)No temporary Medical Officer to be posted during the leave vacancy of the permanent Medical Officer of the Hospital.
(2)All his allowances during the acting period are paid to him regularly.

2. However, Sri K. Shama Shetty, L.M.P., was appointed as Hon.Medical Officer, L.F.Hospital, Mulki under the usual conditions in this office proceedings Ref.C.No.11023-A4-53 dated 30.5.1953 and he has taken charge with effect from 1.6.1953. On previous occasions when Hon.Medical Officer was in charge of the hospital, paid Honorarium at Rs.(50/-) Fifty only per month for the periods from 18.12.1950 to

26.1.1951 and from 16.4.1951 to 30.4.1951 as permitted in G.O.Ms.No.3292, Health Department, dated 25th Sept.,19

3. In this connection I have to state that the temporary Medical Officers are paid at Rs.(80/-)Eighty only per month being the minimum of the post with the usual dearness allowance. The Hon.Medical Officers, if put in charge of the Medical institutions during leave periods of the permanent hands, will have to devote their full time regularly for the hospital duty foregoing their private practice. It is therefore necessary to pay the Hon.Medical Officers atleast the minimum of the post with usual allowance for the period they are in full charge of the Medical institutions during the leave vacancies of the permanent Medical Officers. If this is not done, it will not be possible to run the Medical institutions during the leave vacancies of permanent Medical Officers wherever there are Hon.Medical Officers. Applying for specific sanction every time for the payment of Honorarium causes unnecessary delay in payment of the same.

In the circumstances, I request that the Government may be pleased to fix up a decent honorarium and pass a general order for payment of honorarium to the Honorary Medical Officers whenever they are put in full charge of the Medical Institutions during the leave vacancies of permanent Medical Officers as this will avoid delay in payment of the honorarium to the Hon.Medical Officers for the work they render when they are in full charge of the Hospitals.
